

Cash management service

BENEFITS FOR

Individuals

A savings product that stays ahead of the market.

Keeping on top of new bank accounts and ever-changing interest rates is a constant challenge that most people just don't have the time or appetite for. Instead, we'll do that for you – with one simple sign-up, we'll achieve the very best interest rates for your cash deposits across a variety of banks.

Deposit protection by the Financial Services Compensation Scheme (FSCS) is subject to deposit eligibility and is wholly determined by the FSCS. Further details can be found [here](#).

You will benefit from:

Best interest rates. For your cash, across all savings providers.

Managed account. Account support from the Client Services Team.

Single sign-up process. Providing you with access to hundreds of savings accounts with a variety of term options, so your funds are as liquid as you need them to be.

Hard-working cash. Freeing you up to focus on what's important.

Secure cash movement. From UK-based to offshore banks, offering a wide range of products with competitive interest rates.

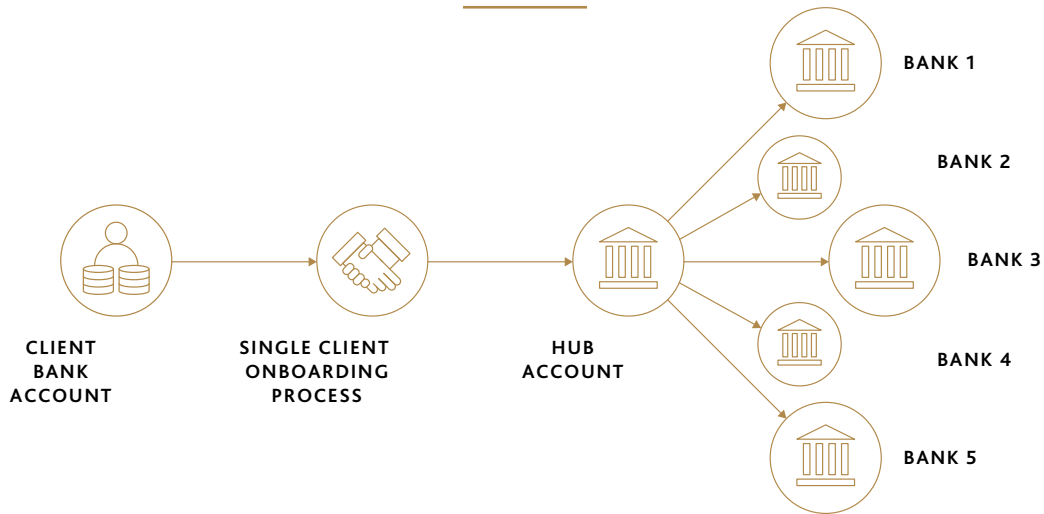

Protection scheme eligibility. Per account opened for each banking license.

SECURITY

All client data is encrypted at all times. All payments pass through a two-tier approval process to ensure that no one individual can authorise a payment. Your savings will only ever be sent back to your designated account, selected by you when you set up the service. Your Insignis Client Services Team will require a separate verification process before they are able to release funds.
